## Overview

Graphic Designer based in Raleigh, NC

- Graduating May 2023

## Work Experience

### Twilite Real Estate Photography-Cary, NC

#### Account Executive, May 2022-July 2022

- Led a team of designers to create the new brand identity for Twilite Real Estate Photography
- Responsible for all communication and scheduling between the client and the design team

#### Designer, May 2022-July 2022

- Contributed to initial brainstorming and research for Twilite's rebrand before tackling individual responsibilities
- Responsible for creating a Twilite's website using HTML, CSS, and Bootstrap in Visual Studio Code
- Connected the domain to the hosting site, uploaded the site files, and walked through future maintenance options with the client.

### Art.com-Cary, NC

#### Customer Service Representative, Oct. 2019-Jan. 2020

- Helped customers through various channels with placing orders and other inquiries
- Provided personal assistance and follow-up to customers with large or unique orders, prompting many complimentary emails on my behalf

### Sykes.com-Raleigh, NC

#### Search Quality Evaluator, April 2020-Jan. 2021

- Assessed the accuracy and appropriateness of web page content in relation to specific search queries and provided feedback to improve results
